

Young Researchers Forum - Young Scientist Awards 20th World Congress on Nutrition and Food Chemistry

Lina Rammal

CEO/Manager L.D. Lina Rammal Diet Centre, Lebanon, E-mail: info@linarammal.com

Prestigious Award for Young Research's at Food Chemistry Congress 2020 - Discovering New Exploration in Nutrition and Food Chemistry field. Food Chemistry Conference Committee is glad to announce "[20th World Congress on Nutrition and Food Chemistry](#)" during April 13-14, 2020 in London, UK by specialise in the theme: "[Exploring Recent Advancements in Food Chemistry and Technology](#)".

Food Chemistry Congress 2020 developments are maintaining their momentum. Nutrition and Food Chemistry Conference program delves into strategic discussions. **Food Chemistry Congress 2020** will serve an excellent opportunity for the delegates of universities and Institutions because it allows young researchers to interrelate with world-class Nutritionists, Dieticians, scientists and Businesspersons.

Food Chemistry Congress 2020 won't simply be a stage estimation during a gigantic event of individuals, yet additionally, it's an effort to spread research advances within the ever evolving-field of Nutrition and Food Chemistry Conference. This conference will help the attendees in building a robust professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. Food Chemistry Congress 2020 is organized under the assumption that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such a chance.

Criteria for Selection:

Showcase your research through oral presentations. Learn about career development and therefore the latest research tools and technologies in your field. This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research. Develop a foundation for collaboration among young researchers. The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world. Interact and share ideas with both peers and mentors. Opportunity for young

researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers. Actively distribute information and promote the advantages of education and career matters.

Conference Highlights:

Food Waste Management

Food Additives

Food Nutrition

Food Bio-Actives

Food Preservatives

Food Quality and Control

Food Drug Analysis

Food Nanotechnology

Food Safety and Laws

Food Chemistry

Food Nutrition and Health

Food Processing

Environmental Impact on Food Production and Consumption

Chemical Composition in Food

Food Industry and Health Hazards

Authenticity and Integrity of Food

Food Chemistry Congress 2020 Young Scientist Awards:

[{Food Chemistry}](#) Conference Committee is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every

effort in providing a robust professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Nutrition and Food Chemistry}. Young Research's Awards at Food Chemistry Congress 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Food Chemistry Congress 2020 young research forum.

Awards & Rewards:

- Showcase your research through oral presentations.
- Learn about career development and therefore the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world.
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.
- Actively distribute information and promote the advantages of education and career matters.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.

- Platform for collaboration among young researchers for better development.

- Provide an opportunity for research interaction and established senior investigators across the globe in the field

- Share the ideas with both eminent researchers and mentors.

- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Food Chemistry Congress 2020 provides best platform to expand your network, where you'll meet scientists, authorities and CROs from round the world. It's some time to grab the chance to hitch **Food Chemistry Congress 2020** for promoting your research article and to facilitate prestigious award altogether categories. During this fame, we glance forward for your contribution and astonishing dedication to form our **Food Chemistry Congress 2020** more successful.

Best Regards,

Lawrence Murphy
