Prestigious Award for Young Research's at Psychology Education 2020 - Discovering New Exploration in Psychiatry field

[Healthcare](#) and [Psychiatry](#) Conference Committee is glad to declare the "11th International Conference on Addiction, Psychiatry, Health Care and Drug Policy" scheduled during October 16-17, 2020 in Munich, Germany. Addiction & Healthcare 2020 developments are maintaining their momentum. Psychiatry Conference program delves into strategic discussions.

The Young Scientist Research Award is presented to an individual for outstanding contributions in the field of Psychiatry and Mental Health with the expectation that contributions will continue. This award recognizes research relevant to the broad aims and interests of Psychiatry and Healthcare Committee. The research will be evaluated based on impact on the theme of the conference and the quality of research.

Its major aim is to recognize world's most promising researchers who are working in the field of Psychiatry and [Addiction](#) therapy and are committed to developing sustainable models that help in increasing innovations to support the future healthcare and improving the quality of life.

Addiction & Healthcare 2020 welcomes Young Researchers and Scientists Award in order to encourage researches and innovation from the youth.

The core mission of Young Scientist Award is to advance scientific knowledge and to positively impact the major global challenges of society with Science-based solutions

It aims to demonstrate outstanding research performance and leadership with a vision to inspire early stage researchers to incorporate a perspective into their research. This year's call is dedicated to PhD candidates, Post graduate students, Post-doctoral fellows and investors.

Psychiatry Conference Committee is intended to honor prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Psychiatry.

Young Research's Awards at Addiction & Healthcare 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations are acceptable at the Addiction & Healthcare 2020 young research forum.
